# Speakers

**Scott Sainsbury**, Founder, Beacon Associates  
 After a highly successful start in Brand Management of existing brands and new product initiatives at Frito-Lay, Scott and Dr. Peter Wicklund founded Beacon Associates in 1981. Today, Beacon is a marketing research and consulting firm that aids companies, educational institutions and non-profits in gaining the insights needed to define and achieve their growth goals

**Alan Davis**, Li Destri Foods  
 As vice president for Business Development and Contract Manufacturing at LiDestri Foods, Alan Davis works closely with some of the world's largest food and beverage companies. With more than 23 years of experience at LiDestri, he's grown professionally as he helped grow the company to where it is today: a \$500-million-plus player in food, beverage and spirits, with five locations spanning the United States

**Patricia Cox**  
 Partner, Beacon Associates  
 Pat was Director of Marketing for all corn-based products at Frito-Lay before being lured-away to become the founding CMO for Embassy Suites hotels. When the family decided to relocate to Vermont, Pat became the CMO of Bruegger's Bagel Bakeries — driving units from 30 to 300. When the concept was sold, Pat joined Beacon as a Partner.

**Duane Cook**, Territory Manager  
 Neogen Corporation  
 Duane is a microbiologist with QA/ R&D/ Operations experience in vegetables, cereal, ice cream, bakery, candy and toppings. In addition he has experience in technical sales and multi state territory management in seasoning blends, collagen casing, liquid smoke and Neogen's diagnostic tests for food safety. Duane previously held the positions of Food Protection Manager at Kelloggs corporate and Company Representative to the Codex Alimentarius Commission and Food Research Institute

**Maria Knirk**  
 Deputy Commissioner, NYS Department of Agriculture and Markets  
 Maria went to Michigan State University College of Law for her law degree and has a Master's Degree in Business Administration, and is a Deputy Commissioner with the New York State Department of Agriculture and Markets. In her current role, she is responsible for the three Divisions in the Department: Food Safety & Inspection; Milk Control & Dairy Services, and the Food Laboratory. In addition to the Divisions, she maintains her previous work on federal issues with particular focus on the Food Safety Modernization Act (FSMA) regulations and implementation.

**Ken Cassara**, Finger Lake Foods/Wegmans  
 Ken is the Vice President of Merchandising for Finger Lakes Food at Wegmans Food Markets, Inc. 2016 will be his 49th year with Wegmans continuously learning & growing with the company. Of that, 13 years were in Store Operations and 36 years in Merchandising. Ken has been involved with many industry projects including a member of the Board of Directors for the National Frozen and Refrigerated Association. He graduated from RIT and obtained his Bachelor's degree in Business Administration from RIT.

**Olga Padilla-Zakour**, Cornell University  
 Dr. Padilla-Zakour is Professor and Chair of the Department of Food Science and also serves as the Director of the New York State Food Venture Center and the Northeast Center for Food Entrepreneurship at Cornell University. She joined Cornell in the fall of 1997. Prior to that, she worked as a research chemist for Canandaigua Wine Company in California, as an Associate Professor at the Technological Institute of Costa Rica, and as a Plant Manager of a fruit processing facility exporting aseptically processed tropical purees

**Andrea Murphy**, BioRad AbD Serotec  
 Andrea is a Field Application Specialist for the Bio-Rad Antibody group (part of the Life Science Group). She supports the custom monoclonal antibody service, helping customers design and generate antibodies for use in many different applications - from biomedical research and clinical trials, to detection of contaminants in the food industry. Ms. Murphy was awarded a doctorate in Virology from the University of North Carolina at Charlotte in 2012 and ventured up to the exciting scientific scene in Boston for a postdoc at Massachusetts General Hospital.

**Andrew Bantly**, BD Biosciences  
 Andrew has been with BD Biosciences as a Technical Application Specialist for two years. Before joining BD, he was the Operations Manager of the Flow Cytometry and Cell Sorting Resource Facility at the University of Pennsylvania in Philadelphia, PA for ten years.

**Jesse Kay**, Field Application Specialist  
 BioRad AbD Serotec  
 Jesse performs presentations, product demonstrations, installations and technical seminars for individuals and groups. His background is in education and food safety, which gives him a solid platform for sharing biotechnology innovations with customers. He was awarded a doctorate in Medical Sciences from the University of Florida in 2009. Prior to joining Bio-Rad, Mr. Kay enjoyed teaching college level biology classes, and worked in the microbiology lab of a leading food manufacturer.
