UMass Phi Tau Sigma & NEIFT presents
~Food Science in One-Minute~

Guidelines

Video Requirements

- The final video must be 30–60 seconds in length.

- The video must be submitted in MP4 format.

- The video must be created as an animation or cartoon.

- You may use any animation software or website (e.g., Canva Cartoon Maker).

- AI tools are allowed, but all scientific content must be original and created by the student.

- A voice-over is required, and it must be recorded by the student submitting the video.

- The video must end with the phrase:

  "And that's Food Science in One-Minute!"

- Please name your video file using your first name followed by your last name (e.g., John Smith Video.mp4)

Research Content Requirements

- Submit a 3–5 sentence description of the research featured in your video.

- Undergraduate students must include the name of their graduate student mentor and/or PI.

- Graduate students must include the name of their PI.

Submissions that do not meet the minimum requirements may not be accepted or forwarded to the judging panel.

Submission
Use form provided
